

BUBBLEMAKER

Have you any children between 8-11 years old? Give them **now** the chance to participate in PADI **Bubblemaker Course** and to become your little underwater explorers...

Easily with safety and fun every child will have the chance of

- Taking its **first** underwater breath
- Finding out **what is diving** and **how** to handle diving equipment
- Having an **extraordinary experience** under direct supervision of PADI Instructors

Without the necessity for children of being excellent swimmers, **they can have a small sip of the magic of underwater world**, diving only in 2 meters depth!!!
