

FUN DIVING

Curiosity, interest, dare, adventure, friends or fashion whatever may be the reason which make you want to explore the underwater world, **fun diving is for sure “your ticket” to do it...**

Within only in a day you will acquire some theoretical knowledge about equipment, environment and diving itself, and you will profoundly **enjoy breathing underwater** and **swimming independently using scuba equipment** in confined water of a pool or seawater.

Cost includes : Theory and dive equipment.
